# Afternoon Tea

## HISTORY OF THE OFFER

*The concept of Afternoon Tea appeared during the mid-19th century. Anna, the seventh Duchess of Bedford, introduced the concept of Afternoon Tea in 1840. The Duchess got hungry around four o'clock in the afternoon, and the evening's meal wasn't until 8 pm. That meant there was a long time between lunch and dinner. We have a lot to thank the Duchess for!!*
