There's been a gruesome murder at Harrow Hall but was it the work of a ghost unearthed by the resident medium or one of our scandalous family members

Annabelle Grosmont has been left at the altar, leaving her distraught and out of control, while Lord Grosmont and Lady Margaret try and cope with the aftermath as well as the suspicious disappearance of a family heirloom, the dreaded Aunt Petunia has arrived to upset everybody! But when Petunia is murdered, Isabelle Mumford must try and solve the grisly death before anyone finds out about all the Horrors at Harrow Hall
